

## ENGINEER'18

# POSTER PRESENTATION

Unleash your thoughts and showcase your creativity by making a poster.

Participants can present their ideas in the form of a poster which can contain their innovative ideas or research work or mini or thesis work related to the field of Civil Engineering.

Examples of topics for poster presentation include Building Materials, Construction Method, Transport Models, Smart Transport Systems, Water Treatment Methods, Waste Management etc.,

### INSTRUCTIONS:

- ✚ Participants should participate individually not in teams.
- ✚ Interested candidates should register in ENGI'18 website and enrol themselves for the POSTER PRESENTATION event.  
<https://goo.gl/forms/GDKgGyiPsn1Nlr813>
- ✚ Participants are required to produce the hard copy of the poster in the specifications mentioned below on the first day of ENGI'18 to the event coordinators.

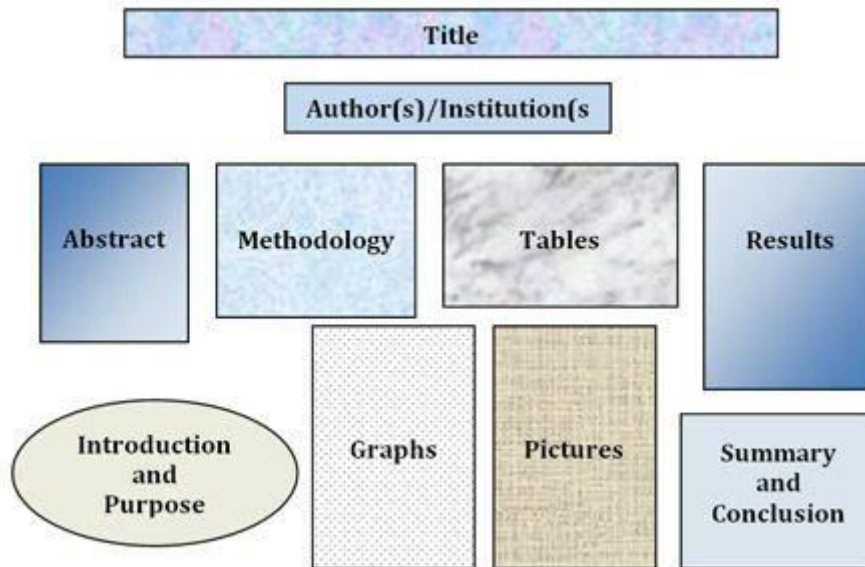

#### *Poster Specifications*

- Poster should be of the size A1 not A0 or A2.
- Poster should include Title of the topic, Author's Name & Institute Name on the top.
- Poster should be digitized print not flex or hand made.
- A sample is shown below (*Only for reference*)
